

You have a secret admirer.

Focus on the magic of things.

Be passionate and totally worth the chaos.

Your love life will soon be happy and harmonious.

An old love will come back to you.

The love of your life will appear unexpectedly!

Love conquers all.

Love yourself hard.

Don't worry, you are extremely loved.

Love, because it is the only true adventure.

If music be the food of love, play on." - *Shakespeare*

All you need is love." - *The Beatles*

You will get kisses in unexpected places.

A thrilling night is in your future.

You cannot love life until you live the life you love.

You will be successful in love.
